Ms Zia, sorry for not getting back to you earlier this week as planned but my meetings in NYC ran longer than expected and I just returned to Houston last night. I am asking our environmental counsel to visit with you to coordinate the joint review of Dimock water issues that you and I discussed. Should you have questions or concerns please bring them to Cabot's attention so that we may have input. We would also welcome a meeting in your office to go over data and facts should you find that to be helpful.

Regards,

Kevin Cunningham
Vice President and General Counsel

I look forward to speaking with you or your outside counsel early next week. My contact information is below.

Sincerely,
